

DESIGNATED BUSINESSES AND OPERATIONS

1. Real estate services. Activity related to real property sales and property activities should be conducted remotely or electronically as much as possible.

Open houses for general public viewing, real estate agent caravans and broker open houses are prohibited.

Property viewing, inspections, surveys, and appraisals may be conducted by appointment only with social distancing requirements maintained at all times.

2. Florist, nursery, plant sales. Sales should be conducted remotely, electronically, or by appointment. Delivery services or pick up service outside of the business may be conducted as long as social distancing requirements are maintained.

3. Other Retail sales. The following retail businesses and operations are permitted as long as the business establishment maintains social distancing requirements, makes hand sanitizer and sanitizing products readily available to customers and employees, employees handling items from the customer must frequently use hand sanitizers, use of face coverings or masks by customers and employees, and high-touch areas are regularly disinfected:

- Bicycle shop sales and repair
- Bookstores
- Jewelry shop sales and repair
- Pet grooming and boarding
- Shops that sell walking/running shoes, apparel and exercise equipment
- Surf and swimming equipment shop sales and repair

4. Automated service providers. Services that do not require human contact or interaction between provider and customer such as automated car washes.

5. Private golf courses are permitted to open. Only one person will be allowed in a golf cart unless second person is a spouse or family member living in the same residence. There will be no flags at the holes, no rakes in sand traps, and there will be no refreshments sold or provided on golf courses.

Golfers also cannot share equipment and sanitization of each golf cart after each round is required.

All Golf Courses are encouraged to follow the United States Golf Association and Professional Golfers Association guidance for operation during the COVID-19 pandemic.
